CURRY AND A CHAAT
ON BEHALF OF THE MENTAL HEALTH FOUNDATION

Willaston Social Club hosted an evening of fundraising on Friday 14th June for the Mental Health Foundation, which raised £1168, 42 for mental health issues. Originally intended as a small gathering in the organisers home, (Sharon Gallagher) the “Curry and a Chaat” as it is called by the Mental Health foundation, grew into an evening long event with around 80 people enjoying a fundraising supper and dance with entertainment from Manchester band Cassidy Stone.

Mental Health has not received the same priority as physical health issues, but this is starting to change and the event went a long way to raising awareness of this important subject.

The success of the event was thanks to Clair Atkinson, Abbie Costello and Lucy Hulse from Bentley Motors Crewe, along with Fred Atkinson(Head Boy at St Thomas More, Crewe) and Cassidy Stone.

Sharon would like to thank all who attended for their support and is grateful for the help and promotion given by Cheshire College South and West including Dhesi, (Principal) Caroline Fox, Deborah Foden and Councillor Dorothy Flude.
